It is regretted that the restriction which was subsequently imposed for the part of the Distt Boards to sanction scholarships upto Rs 15/ was lost sight of, owing to the fact that this is not included in the rules which have a material bearing on the subject. Even now it is a matter for consideration if this rule or restriction may not be removed or if considered necessary it may not be included in the rule itself.

Rs 15/- cannot be said to be a low rate -- especially for District Boards with limited resources -- and in these days of plethora of applicants. I would therefore state scholarships in excess of Rs 15/- per mensem should be granted only in exceptional cases and the present order does not therefore appear to require revision.

Sir,

With reference to your letter No. L. 5708/L.B. 16-34-10 dated the 21st/22nd February 1935 intimating that sanction of Government is not required to the grant of scholarships for technical education by District Boards under rule 14 of the Rules framed under G.O.No.L. 5515-31/L.B.6-25-35 dated the 13th March 1928 as modified by G.O. No.L. 4058-74/L.B. 6-25-37 dated 4/5th December28, I have the honour to state that rule 5(f) of the rules framed under G.O. No. L. 1639/L.B. 63-33-1 dated the 4th September 1933 limits the powers of the District Boards to only Rs.15/- in each case while the stipend sanctioned to Rudrahanji is Rs.20/- per month. I request you therefore to be so good as to intimate to me if this limit does not apply to the present case

I further beg to state that as the scholar is far away in Bengal and has represented that he has been put to considerable difficulties on account of non-receipt of the stipend, I have however arranged for the payment of the same on his executing the required bond with proper sureties, which may kindly be approved.

I have the honour to be,
